MOGS FM Radio Programs On Women's Health Issues

MOGS made its first foray into FM Radio with 8 programs on women's health issues in Marathi. Subjects covered were anemia, safe delivery, adolescence, menopause, male and female infertility, contraception and abortion. The programme also carries a media spot describing MOGS and its commitment to women's health. Aired on FM Rainbow in the programme Asmita Vahini the feedback has been encouraging.

MOGS Office and Administration

MOGS Office

During this period the office underwent renovation and got a new coat of paint. MOGS also underwent a complete computerization of accounts that is ready for full implementation in the next financial year. A broadband connection, a new email id and a digital camera were acquired during the year.

MOGS Staff

The MOGS office staff worked tirelessly and sincerely throughout the year and indeed form an essential component contributing towards the extremely efficient functioning of the organization.

The MOGS office staff comprises of

- Mrs. Divya Bhadracha (Joined in 1982 – 31 years of service)
- Mr. Manohar Kambre (Joined in 1986 – 26 years of service)
- Mr. Narendra Lase (Joined in 1990 – 21 years of service)
- Miss. Trupti Nanarkar (Joined 2011 – 1 year of service)

Mr. Manohar Kambre was duly felicitated for completing 25 years of service with MOGS office.

MOGS Mementos and Stationary

MOGS prepared its own branded MOGS stationary. During the year MOGS selected and distributed books from exceptional authors such as Dr. Atul Gawande, Harsha Bhogle and Dr. F. E. Udvardia as mementos in our conferences.

MOGS General Body Meeting

The Mid Year General Body meeting of MOGS was held on September 25, 2011. At this meeting the final MOGS Accounts and financial resolutions for 2010-2011 were approved, a midyear report of activities undertaken this year was presented, Managing Council recommendations for Honorary Fellowship and MOGS awards, MOGS Vision and Mission statements were ratified and support extended to the Nursing Home Owners association. In landmark decisions the General Body approved a constitutional change for postal ballot for MOGS elections, a resolution to make voting for all available positions mandatory and a Managing Council recommendation to place a member under temporary suspension for serious violation of the PC PNDDT Act.

MOGS Administrative Changes

MOGS Elections

MOGS conducted its first election by postal ballot this year. The MOGS General Body besides approving a postal ballot to encourage greater representation also decided that each ballot has to be complete with votes being cast for every available position to give MOGS the best Managing Council.

Environmental Responsibility

With the approval of our Board of Trustees MOGS circulated an abridged statement of accounts bringing down 30 pages to 18 pages – a substantial saving of paper. The detailed accounts remained available on request from the office and on our website. MOGS continued its green commitment with paperless Managing Council meetings, environmentally friendly conference folders, reusable workshop plastic bags and reclaiming badge pouches for reuse.

MOGS Trade Partners 2011-2012

This year MOGS had a select group of MOGS Partners supporting scientific, academic and social activities. Their participation was equal and transparent and assured through the year. MOGS appreciates the grace with which they came forward to support the cause under this new model.

MOGS acknowledges the participation and support of Bayer Zydus Pharma, Elder, Emcure, Franco Indian Pharmaceuticals, Meyer Vitabiotics, MSD, Sun Pharmaceuticals and USV in all activities during 2011-2012.

Besides these commendable support toward specific activities was received from Abbott, Alkem, Cryosave and Wyeth while Lupin continued to support the public service camps organized by MOGS.
