Dear Colleagues, Greetings from FOGSI ICOG !

The Organizing committee extends a warm welcome to you all & invites you to participate in the FOGSI ICOG National Conference on (NCD) Non Communicable Diseases in Ob-Gyn.

This conference will be held on a digital platform from February 4 to 7, 2021. This mega event is being organized in association with the Mumbai Obstetric & Gynaecological Society and endorsed by FIGO, SAFOG, AICC RCOG, World NCD Federation, MWIA, AMWI and Government of Maharashtra.

Non Communicable Diseases (NCDs) encompass a vast group of diseases such as Cardio vascular diseases, Cancer, Diabetes and others. NCDs contribute to around 38 million (68%) of all deaths globally and to about 5.87 million (60%) of all deaths in India. This subject NCD is of National importance. For the first time, we bring you a Conference dedicated exclusively to Non Communicable Diseases in Ob-Gyn.

We begin with a Public Awareness Program on 4th February 2021. On 5th February, we bring you workshops on Oncology & Medical Disorders in Pregnancy. This is followed by the main conference on 6th & 7th February 2021. Orations, Keynote addresses, Symposia and Panel Discussions on important aspects of NCD are planned. International & National faculties who are experts in the field will be participating. The Govt of Maharashtra, Public Health Department has deputed Senior Health Officials, Medical Officers and Policy Makers for this prestigious Conference.

In addition, we have free communications as Papers and Posters. We expect a large number of delegates to log in and join this academic feast.

The Conference will provide an excellent opportunity to interact & network with expert faculties & leaders.

We look forward to this great academic feast.

Warm regards,

Dr. Alpesh Gandhi
President, FOGSI
