WORLD CONGRESS 2022

FUNCTIONAL & AESTHETIC GYNECOLOGY

Welcome to the Functional & Aesthetic Gynecology World Congress 2022

The Second World Congress on Functional & Aesthetic Gynaecology will be held in Mumbai, India, on December 10th and 11th, 2022, with pre-congress workshops on the 9th. The goal of the congress is to disseminate accurate, unbiased information about our specialized practice to the physicians so that thousands of women may benefit from the many available therapies.

(IAVA) is an independent organization with the stated mission of "creating the highest academic values for everyone who aspires to include new functional and Aesthetic gynecology to their practice."

Committed Scientific Program

Scientific Program to gain detail for everyday practice and issues

National and International Faculty

Global-best speakers offer knowledge and experience

Live Workshops

Interesting videos
Actual cases and operations would be televised for a virtual experience.

Panel Discussion

Topics you've always wanted experts to discuss
